

DRUM SANDER

ESM1300 DRUM FLAP SANDER

- 4" drum flap sanders
- for stripping wood, boards & planks
- abrasive drum works with the wood grain

The ESM1300 is a 4" rotary drum flap sander that is ideal for finishing wood

The 100mm x 100mm drums will sand and finish wood, plank and sheet materials, remove paint and varnish without leaving surface swirls

The sanding action works with the grain

The ESM1300 will polish and satin finish stainless steel and aluminium

APPLICATIONS

- sanding wood floors
- graining boards
- removing varnishes
- for stripping wood, boards & planks
