Stock no	Description	Length	£ ex VAT
256030	T rule & straight edge 4'1"	1.25m	59.00

FEATHER EDGES

FEATHER EDGES

- full range of shapes & sizes
- medium weight rules
- for levelling & ruling off
- plaster & render
- floors & walls

The trapezium profile feather edges are produced from precision aluminium extrusions and have plastic end caps

They are for finishing and levelling plaster and render, wall and floor surfaces

The h profile feather edge is often used with projection plasters
