

NEW

RFX210 FLOOR & BULLY STRIPPER

- 8" floor stripper with wheels
- powerful motor
- sturdy machine construction
- vibration dampened handle
- large solid wheels
- produced by Refina in the UK

The floor stripper is built round a power tool driven oscillating stripper head; it has a solid motor cover and rubber mounted handle

The on-off switch is fitted to the T handle at hand height

The RFX210 is a compact floor carpet stripper for lifting floor coverings, carpet tiles and foam backed carpet, lino, rubber floor coverings and vinyls

The floor stripper works off screed, latex, concrete or wood surfaces and will lift floor coverings leaving a minimum of residue and backing

The 110 volt floor stripper will run off a 3kva power tool transformer; the 230 volt units will run off a 13 amp domestic supply

The replacement blade will fit other makes of floor stripper including Duro and Romus

APPLICATIONS

- strip floor coverings
- lift carpet tiles & foam backed carpets
- remove felt, underlay,
- lino & vinyls
- cork tiles & matting
