

# MULTI-FLECK & MASONRY PAINT SPRAYERS

## DECORATIVE PAINT SPRAY UNITS

- air powered professional spray guns
- range of nozzle sizes & outputs
- pressure feed paint pots for fast application
- for painting & decorating trades

This paint spray equipment includes trade quality decorative spray guns and pressure feed paint pots for applying paints and coatings for interior and exterior applications

The pressure feed sprayers give fast application of exterior coatings, sand finish and masonry paints, Sandtex and Weathershield, interior decorative paints, Portaflec, emulsion and multi-fleck. It will handle many of the paints and coatings that will not go through an airless spray pump

## APPLICATIONS

- for spraying Sandtex & masonry paint
