

POOL & FLOOR TROWELS

- for screed & epoxy
- chrome stainless steel finishing trowels
- fully riveted
- guaranteed one year for trade use
- produced with soft handle

The floor trowels are produced from chrome stainless steel in a range of shapes and sizes

All trowels are fully riveted

The pointed end floor trowels have a long shank for stiffness

The pool trowels are supplied with either long shank for stiffness or short shank for a more flexible finishing trowel

They are rounded at both ends and used on specialist floor & wall finishes
