

## ERS180 7" SANDER-EDGER

- powerful sander
- cushioned velcro backing pad
- large holes for effective dust control
- easy handling for wall work
- removeable front guard side for edging

The ERS180 is a sander-edger for work on floors and walls, wood, fibreglass and painted surfaces

It is used for sanding back and smoothing paint and coatings, prepping and sanding walls and floors prior to painting and decorating

The sander is lightweight and is complete with a dustguard that allows dust free operation when coupled with a suitable vac

The edge of the dustguard is cut away allowing sanding right to the edge

### APPLICATIONS

- for sanding & smoothing walls & ceilings
- smoothing & feathering in paint
- prepping back wall paints & emulsions
- sanding wood floors & boards
- cleaning walls, floors & ceilings
